WORK EXPERIENCE

Freelance Sign Language Interpreter (Independent Contractor)

February/2016–Present

Works with various interpreter agencies (including NIS, DCS, Preferred Interpreting among others) using a combination of all four of the languages I am fluent in, going to various locations, in a variety of situations from medical to educational.

Global VRS | Trilingual (ASL/Spanish/English) Interpreter

March/2016–Present

Trilingual interpreter for video calls on a video relay service (VRS).

ASL Services/Disneyland Resort | American Sign Language Interpreter/Performer

May/2010–January/2012 & March/2016–Present

ASL interpreter/performer for miscellaneous rides, parades and shows at Disneyland and Disney California Adventure.

ASL Services/Disney Cruise Line | American Sign Language Interpreter/Performer

August/2016–December/2017

ASL interpreter/performer for miscellaneous venues and shows on the Disney Cruise Line ships. Worked along a rotating team of interpreters under instructors who would choreograph our movements, signs and sometimes dancing for each show. Performance skills were needed to accomplish this job. Interacted with guests at the venues performed.

Geekfeed.com | Article Writer

August/2016–August/2017

Writer of Pop Culture content (news articles, editorials, reviews, etc.) for Geek Feed's website. [\[Sample\]](#)

La Torre del Vigía A.R. | English/Mexican Sign Language Translator

March/2012–January/2016

Part of one of the many rotating teams that translates English literature into Mexican Sign Language (LSM) videos.

La Torre del Vigía A.R. | Filmmaker

May/2015–September/2015

Worked as a cameraman, shot designer, managed lighting, worked on the storyboarding, and was a consultant in various film projects for the company. Learned to work with Final Cut Pro X, various professional video cameras and miscellaneous recording equipment. I also had direct experience on a professional sound stage.

Whiskey Media | Event Intern/Press/Production Assistant

July/2010–March/2012

Covered entertainment events, e.g. San Diego Comic Con, Wonder Con, Anime Expo, Long Beach Comic Con, and others, with video and written coverage as an intern for Whiskey Media sites ComicVine.com and AnimeVice.com. [\[Sample\]](#)
